

Sparsh  Hospice

Ensuring **DIGNITY**
during end-of-life stages

QUARTERLY REPORT

APRIL-JUNE 2026

Trustee's Desk

Dear well-wishers,

As we step into a new financial year, we do so with deep gratitude for the unwavering support, trust, and encouragement of our community. For over 15 years, your belief in our mission has **helped SPARSH to grow into a trusted and compassionate presence in the lives of those we serve.**

Looking back at the quarter from April to June 2026, we are proud of the meaningful progress made through shared commitment, dedicated teamwork, and purposeful action. Each initiative undertaken during this period reflects our collective resolve to respond to community needs with care, dignity, and accountability. The impact captured in this report goes beyond numbers. It represents lives touched, families supported, opportunities created, and hope renewed. Every milestone has been made possible through the combined efforts of our partners, volunteers, donors, team members, and the communities who continue to inspire our work.

While challenges remain, they strengthen our commitment to innovate, collaborate, and serve with renewed focus. They remind us that sustainable change is built not by one effort alone, but through consistent compassion, responsible action, and the courage to keep moving forward together.

On behalf of the Board of Trustees, I extend my heartfelt appreciation to everyone who has contributed to this journey. As we move into the next quarter, we remain committed to transparency, accountability, and meaningful service.

With gratitude,

Suresh Reddy

Highlights

Annual Donor Dinner

Sparsh Hospice recently hosted Annual Donor Dinner, bringing together a diverse group of attendees, including donors, healthcare professionals, volunteers, government representatives, and families, all united by their dedication to compassionate care.

One of the evening's focal points was the “Circle of Care” fireside conversation, where participants shared insights on the increasing demand for palliative care and the significance of collaborative efforts to ensure access to quality, dignity-centered services. This event not only strengthened our engagement with the donor community but also encouraged meaningful dialogue and highlighted the essential role of partnerships in furthering our mission.

The continued generosity of our donors and supporters enables us to deliver compassionate care, comfort, and dignity to patients and families across our services.

Nurturing Spiritual Well-being

In accordance with the patient's wish and beliefs, visit by a spiritual chaplain were facilitated to provide prayers, spiritual guidance, and emotional reassurance.

This support contributed to the patient's sense of peace, comfort and overall well-being during their care journey.

Dedicated Neuro Palliative Care Ward

Sparsh Hospice started an 8-bedded Neuro Palliative Care Ward to provide specialized care for patients with neurological conditions.

The unit offers support from a dedicated neurologist, daily physiotherapy, individualized care and counseling for patients and their families, ensuring a holistic approach to care.

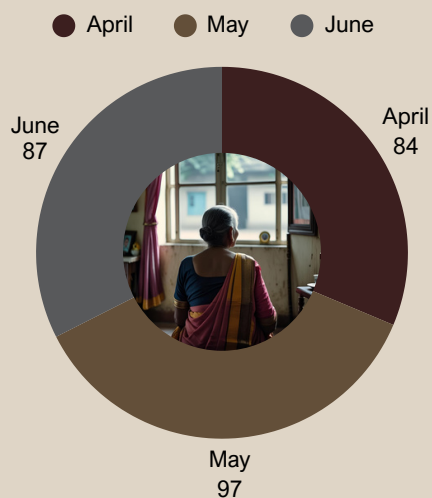

Employee Engagement

We organized various volunteering partnerships with companies like **ServiceNow** and **Reckitt** and engaged more than 250 employees in activities that directly supported patient care and hospice services.

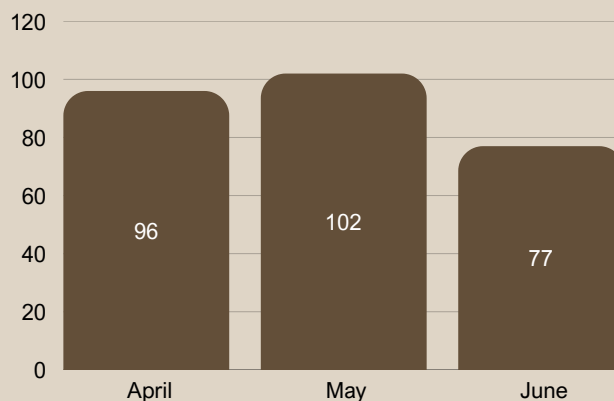

These initiatives fostered community involvement, strengthened awareness of palliative care and enabled individuals to contribute their time and skills toward enhancing the comfort and dignity of patients and their families.

ABOUT US

Sparsh Hospice is a leading palliative care center providing pain relief and symptom management for people with life-limiting illnesses. Operating under the Rotary Club of Banjara Hills Charitable Trust (Reg. No. 139/2011), we deliver care through a state-of-the-art 82-bed inpatient facility in Hyderabad, supported by comprehensive outpatient services. Our reach extends into the community through seven fully equipped home-care vans staffed by specialist teams, along with fortnightly outpatient clinic in Karimnagar, ensuring access across the wider Telangana region. Beyond clinical care, Sparsh Hospice supports patients and families through the emotional and spiritual challenges of serious illness by offering structured psychological and spiritual counselling.

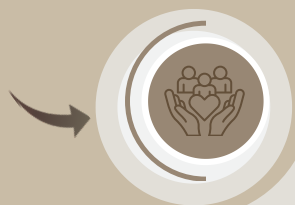

Vision

Sparsh Hospice is committed to delivering holistic, person-centered care that supports individuals and families through serious illness, aging, and end of life journeys.

Mission

To build a compassionate continuum of care where individuals those with life-limiting conditions and elderly-experience dignity, comfort, and meaningful living at every stage of life.

Goals

To encourage, facilitate and spread awareness about palliative care through educating, training, extending services & research.

HOSPICE CARE

Sparsh is an 82-bed, state-of-the-art facility equipped with all the amenities necessary to support beneficiaries and their caregivers. As a hospice, we offer a range of services at no cost, including:

- Free accommodation
- Meals
- Medications
- Attender accommodations
- Other essential amenities for in-patient beneficiaries

We also celebrate various occasions, such as festivals, birthdays of beneficiaries and their family members and other special events within our facility. We deliver thorough medical, psychological, social and spiritual care all under one roof, completely free of charge.

Home Care

The Comfort of Home in Life's Final Journey

There truly is no place quite like home, especially when it comes to life's final journey. It serves as a haven of comfort and connection, where many of us wish to spend our last days, surrounded by loved ones. Inspired by this vision, Sparsh introduced its home-care services in 2016.

Backed by the SBI Foundation, our dedicated team operates a fleet of six vans that now reaches over 80 new patients each month. We take pride in delivering professional, compassionate care right to the doorstep, ensuring peace and dignity in the environment where patients feel most comfortable.

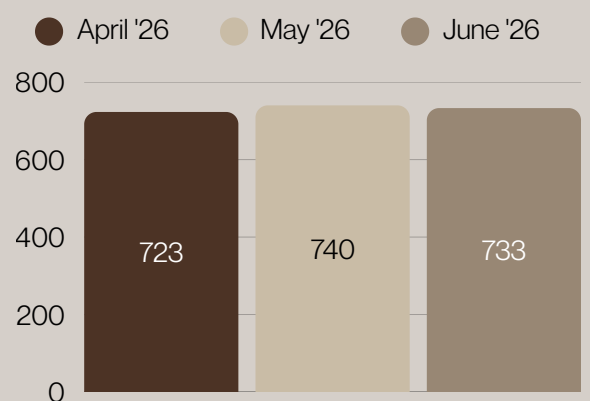

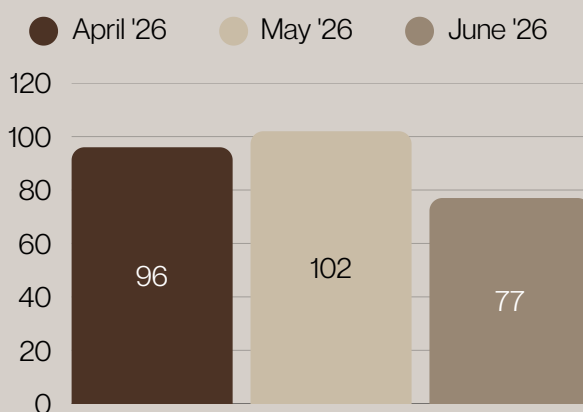

NEW HOME VISITS

275

TOTAL HOME VISITS

2,196

Ensuring comfort, dignity, and compassionate support in the place where patients truly belong—at home, surrounded by their loved ones.

OP Clinic

Sparsh Hospice provides vital outpatient palliative care for patients in need of regular pain management, wound care and counseling. These services aim to enhance quality of life and minimize unnecessary hospital visits through professional medical support and telephone guidance.

At present, Sparsh Hospice runs outpatient clinics at both Sparsh Hospice in Hyderabad and CAIMS in Karimnagar.
